**...and Have the Satisfaction of Investing in Today's Youth!**

## **YOU ARE INVITED ...**

*to provide Angel Scholarships for children  
who need people like you to go the extra mile on their behalf.*

**Each scholarship will make a positive difference for children who may be dealing with:**

- ❖ Single-parent or blended families experiencing low income or poverty;
- ❖ Abuse of some type within their family unit – physical, emotional, drug, alcohol or sexual;
- ❖ Parental suicide, murder, incarceration or terminal illness;
- ❖ Social or academic difficulties, even with family support; or
- ❖ Life on the road as migrant workers or with a chronically-ill parent or a special-needs sibling.

*Your contribution will allow a child to experience, at no cost, a program that offers caring adult mentors, safe places and activities, healthy choices, marketable skills, and community service opportunities. Second Mile children learn, no matter what the chaos and difficulties in their lives, they can become productive and successful citizens in their communities.*
